Goals and Strategies for Realizing our 3-year Vision

1. STARTING PLACE Our school data shows that we are currently “here”, in terms of our current strengths and areas for growth (be specific):	2. GOALS Over a three-year trajectory, our goals for our students are (be specific):	3. STRATEGIES The strategies we intend to use to achieve our three-year goals are (be specific):	4. RATIONALE The rationale for <i>these specific</i> goals and strategies are:
Math	Math	Math	Math
Literacy 18.6% of freshmen on IEPs passed the SBA in Fall of 2021 179 of Gen Ed freshmen passed (L3 &L4) SBA Fall 2021 340 of Gen Ed juniors & Seniors passed SBA Fall 2021	Literacy Raise SBA passing percentages to pre-pandemic levels. (74.2%)	Literacy (year 1) Focus on priority standards with concentrated efforts on strands with lowest % of success (when data is available). (year 2) Reevaluate priority standards, increasing to include 75% of standards. (year 3)	Literacy We need to return to pre-pandemic levels of teaching to the standards to increase student learning to meet their needs and to prepare them for successful futures.
